### "Murder's in the Heir" September 21, 22, & 23, 2018

Billionaire Simon Starkweather gathers his family and employees to announce the contents of his will. His lawyer reveals that Simon has bequeathed vast fortunes to his befuddled niece and her playboy son, his great-niece, and his grandson Simon III, as well as to his many servants. Within hours this will be invalid. Of course, the rejected heirs are not pleased, so it's not surprising when they roam the old mansion with items such as an ax, a gun, and poison. And when Simon is discovered murdered, Simon III is determined to find his grandfather's killer. This play is a maze of murder with a unique ending!

### "Dracula Returns" (Participating with Artesia Arts Council) October 26 & 27, 2018

Once every 193 years a descendant of Count Dracula's returns to haunt the Transylvanian countryside. And this is the year!

### Radio Read of "It's a Wonderful Life: A Live Radio Play" December, 2018

We are still in the planning stages of recording this iconic radio play to air during the holidays on Artesia's own KSVP.

### ACT Follies March 2019
